## 1,000 Touches Update

As part of our 1,000 touches, in December, the church staff recognized 41 students that won the Star Student award and 41 students that won the Rocket Student award (Most Improved in past 9 weeks) at Northeast Elementary. We had a pizza party with cupcakes and drinks. We took pictures of every student and if a parent came, we gave them a photo to take home. We encouraged all the students and their parents to keep up the hard work for the rest of the year. God touched 82 families that day with his kindness. I have heard of several families that have helped other families with Christmas needs as well at our church. Keep touching people with the love of Christ!

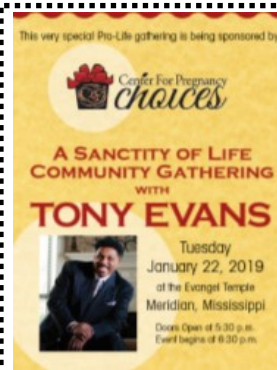

## Children's Department

We will start collecting items for our Operation Christmas Child shoeboxes for 2019, beginning in January. We will collect a different "item" each month.

In January 2019, we are asking for donations of new socks for kids, ages 2-12.

There will be a designated box in the church office, in which to place your items.

## Church Directory Update

We are updating our church directory for 2019. It is for any new members or any new additions to your family. Everyone has the option to be included in this directory and have your picture taken free of charge with no obligation to buy anything. We would love for all members to be included in our directory.

**Current members:**

You can choose one of two options for this directory:

- Keep the most recent picture made from the last directory OR
- Have a new picture made

To sign up to have a picture made—call the office or use the sign-up sheets in the foyer. Dates to be determined later.
